- New Business Agenda:
 - Departmentalization 10
 - Not for 4th grade next year, but undecided for 5th grade next year. Anonymous survey from children will be useful
 - ICT 25
 - Why do we not have ICT (39 is also small)
 - SETSS and ICT are considered same on the LRE scale
 - 2 classes per grade, ICT group will always be together, gen ed students would also be limited (in case of conflicts)

- If we don't have enough ICT IEPs, we would have to either change student IEPs to ICT to pay for teacher which does not necessarily based on students' specific needs.
 - we have 19 setss in whole school, takes 12-13 per grade to pay for an ICT class
 - ICT belongs to D15, children can be placed here who we don't know
 - Hard to find Sped Teachers, we are going to have to form ICT class part time with the 5 Sped teachers because no additional funding is being provided
 - Teacher training enrollment is declining
 - ICT is not a cure-all, a strong SETSS program can be comparable
 - Can be good for attentional difficulties, but if there are multiple students with attentional difficulties it can negate the benefit
- CEP 25
 - Editing CEP
- Creation of new Agenda (open to non-SLT members)

Yard will remain open until 3pm but families will be reminded to watch their children. Thursdays will remain the same (yard available.) Notice will be sent by Teresa.
