---------------	---

- Call to order/sign in/timekeeper
 - Introductions of new members
 - Kim volunteers to take notes
- Reading/approval of June minutes
- Committee reports (limited to no more than 5 minutes each):
 - PTA report- potluck this weekend, discussed having a literacy event half hour before the potluck but another time with more planning. Team sports are Saturday and makes it hard to come. Is it possible to do after school? Usually not great. Mix it up to give everyone a chance to attend
 - Diversity committee- adding members- 30 people can be added but we need a core group who is committed and plan activities. Maybe varying the time would increase involvement. Will be announced by Elizabeth at PTA on 9/25/19
 - Abilities awareness committee- Considering whether to continue but will announce at PTA mtg to see if someone else wants to take over. Colleen is leading a dyslexia workshop at Child Mind Institute.
- Unfinished business
 - CEP- will work on it again next mtg despite it being test based
 - Reorganization- Added K-ICT (pilot program) eventually will have 8 ICT & 12 Gen Ed students. Still hiring because it was implemented late in summer. It will continue in 1st grade. It will continue but funding for the small class is not guaranteed. Spanish is gone, trouble finding another teacher. Instead we have hydroponics to

1-5 as well as science, library/technology (coding & robotics will be part of library cycle), PE. Custodian left.
